A Note from Miss Laurie . . .

The dog days of summer have arrived! This is such a fun season for the kids! The hot days and longer nights make for a day full of adventures that end in pure exhaustion bliss. ☺

May was a busy month. Our teacher appreciation week was a big success thanks to all of our wonderful families! Thank you to everyone who participated. Our Mother's Day events were very well attended. We hope you enjoyed them as much as the children enjoyed hosting you! In the preschool program, the students had an opportunity to show off their wonderful works of art in our annual art show. They all did a fabulous job and were very proud to show off their work. And last, but definitely not least, CONGRATULATIONS to all of our kindergarten graduates!! You should be very proud of all the accomplishments you've made this year. Great job!

As summer begins, be sure to take time to take in some sun and fun, and enjoy the little moments that really count. Happy Summer!

Warmest Regards,
Laurie Beard

Laurie Beard, Senior Director

Prep Academy Schools 2016 Summer Program!

TIME TRAVELERS

9 More Exciting Weeks! June 13th - August 12th

This Summer at Prep Academy Schools...
Experience Great and Exciting, Educational Activities!

June 17th

TIME TRAVELERS

June Summer Camp Themes:

June 13th - 17th

ICE AGE

June 20th - 24th

Medieval Times

27th - July 1st

Jazz Era

Classroom Corner

Look what we're doing....

DUBLIN CAMPUS

Miss Beth's Waddler Class

The children made clowns during their circus theme week.

Miss Markie's Pre-K Class

The students made a mirror to display themselves on a celebration board.

POLARIS CAMPUS

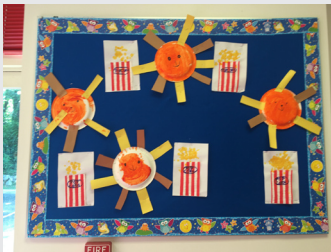

Miss Haleigh and Miss Emily's Jr. Prep Class

The children discussed their favorite summer activities to kick off the new season.

Miss Dominique's Waddler Class

The children made paper plate lions and dotted paint popcorn as they learned about the circus.

Teacher Feature

Dublin Campus:

Ashley Keener - Preschool Teacher

Miss Ashley began teaching at Prep Academy in March 2015.

Why do you enjoy teaching?

I enjoy watching the children grow and seeing their progress throughout the year, and I love getting to know the children and their families!

What do you enjoy doing in your free time?

In my free time, I enjoy reading, playing my flute, watching movies, and gaming. I also enjoy spending time with my husband and our puppy and cat.

Polaris Campus:

Katheryn Colwell – Toddler Teacher

Miss Katheryn began teaching at Prep Academy in March 2015.

Why do you enjoy teaching?

I love teaching because I love helping children learn. It's a joy to see the light in their eyes when they learn something new, and when they can do something new that they have been trying to do for so long. It's a joy being around the children. They all have a special place in my heart.

What do you enjoy doing in your free time?

In my spare time I enjoy spending time with my daughter, Komyn. We do everything together from fun trips to just cuddling on a movie night. She is my heart! I also like to hang out with my family and friends. Family is a big part of my life! I like to have fun and be silly and cherish these special times.

Happy June Birthday to . . .

Dublin Campus

Miss Teresa – 8th

Miss Katie – 24th

Summer Safety Tips for Kids & Adults

Enjoy the summer sun, but make sure your safety efforts shine just as brightly.

Here are 10 tips for keeping kids (and adults, too!) safe this summer, courtesy of American Family Children's Hospital.

Block the sun

The sun's intensity is at its peak during the summer, so it is more critical than ever to apply lotion before going outside. Not just on sunny days either; the sun's rays can still damage your skin when it's cloudy. Be sure to apply sunscreen (SPF 15 or higher) at least 20 minutes before going outdoors.

Stay afloat

Teach your children never to enter the water without an adult, and watch them at all times when you are near a pool or beach. Don't allow floaties or other flotation devices to take the place of close supervision. Try to swim at beaches with a lifeguard on duty. When boating, insist on a life jacket.

Wear a helmet

Unfortunately, many parents still do not insist that their children wear a helmet every single time they ride their bike. According to the U.S. Department of Transportation, 85 percent of bicyclists killed in 2003 reportedly were not wearing helmets.

Jr. Prep Celebration

Miss Jordan's Jr. Prep class celebrated their promotion into the Preschool program with a graduation party. The children made graduation caps and were presented with a diploma. Congratulations, and well done!

Art Show

Congratulations to Miss Kendal and all of the preschool students for a success art show! It was a fabulous display of student art work, a job well done by all!
